## On the Search for More Local Events?

**Jamestown Calendar** is now an integrated module on the Jamestown Tourism website! Same great resource, but now it has the ability to pull events from all over the web! Users are also able to sort events by category, such as by Chamber member businesses, family-friendly events, and more!

This calendar helps visitors and community members plan the month ahead. It also serves local businesses as a talent recruitment tool to showcase the community. Whether your business hosts a trivia night, your restaurant brings in local music, or

you lead a group yoga class, Jamestown wants to know about it! Don't forget to register your events!
