### New Business Approved for FlexPACE Interest Buydown Loan

The Jamestown/Stutsman Development Corporation's Board of Directors approved up to \$86,000 in a FlexPACE Interest Buydown Loan to Dale's Auto Mall and Motorsports Center at their October 14th meeting.

With the ability to have up to 30 cars, boats, motorcycles and memorabilia items inside his large building, Dale Lende explained his new business in Jamestown will offer a unique approach to buying, selling, and consigning these items (along with ATVs and UTVs) indoors. A great idea for cold North Dakota weather! Lende is currently remodeling the old R&B Motorsports building at 417 24th St SW next to Paradiso.

Vehicles currently available can be found on Lende's [website](#) or on [Facebook](#).

### JSDC to Attend Main Street Summit

The Main Street ND Summit serves as a forum for information on the community planning principles behind the three pillars of Governor Burgum's Main Street Initiative: a skilled workforce; smart, efficient infrastructure; and healthy, vibrant communities. The goal is to improve quality of life for all, and to help North Dakota compete in a 21st century economy. It is an annual gathering of local and regional community building experts and advocates to share best practices and engage community leaders, entrepreneurs, students and interested citizens in envisioning North Dakota's future.
