Operation Intern Applications Now Open

[Operation Intern](#) is a grant program, designed to expand the number of internships, work experience and apprenticeship positions with North Dakota employers. The focus of the program is the creation of new internships and apprenticeships within the state's

targeted industries and in-demand occupations. Priority will be given to new startups, companies who have never participated in the program, and new internship or apprenticeship positions.

The maximum amount of Operation Intern funds an employer can receive is \$20,000 per funding round or \$40,000 per biennium. Employers will be limited to a maximum of 5 interns each funding round. This biennium will have two funding rounds. The first round of funding will be from May 1, 2021 - April 30, 2022.

Please review the [Operation Intern Program Guidance](#) prior to submission of an [application](#).

Great River Energy Donates \$250,000

Source: Jamestown Sun

The city of Jamestown received its largest cash gift ever as part of its fundraising efforts for Ladder 1 used by the Jamestown Fire Department, according to Mayor Dwaine Heinrich.

Great River Energy presented the city with a symbolic check Saturday marking its contribution of \$250,000 for the ladder truck fund. Heinrich proclaimed Feb. 13, 2021, as Great River Energy day in Jamestown in response to the contribution.

"We are proud to be here," said Al Christianson, director of business development and government affairs for GRE. "Since we came to Jamestown a dozen years ago we've been treated as partners. It made sense for GRE to be part of this."
