### Non-Resident Nursing Employment Recruitment

The ND Department of Commerce is accepting applications from licensed health care facilities to participate in a new grant program designed to help attract qualified nurses to North Dakota and retain them.

The 2019 Legislature authorized \$500,000 in one-time funding for the Non-Resident Nursing Employment Recruitment Program. Commerce will provide up to \$4,000 to qualifying health care facilities for each nonresident licensed nurse who signs a written agreement to work at least four years in a North Dakota licensed health care facility.

Participating health care facilities must provide a two-to-one match for a total of \$12,000 in incentives to a nurse. This can include increased wages and stipends, bonuses, relocation costs, and housing assistance or equipment.

Application deadline is only 15 days away (December 1st). For more information and application, follow this [link](#).
