JSDC Participates in Give Get Grow Campaign

The Jamestown Area Chamber of Commerce, the Jamestown/Stutsman Development Corporation, along with area supporters are teaming up to help our local business members through the negative effects their businesses may have experienced these past months caused by the COVID-19 pandemic.

We are all excited to be hosting the [GIVE - GET - GROW Campaign](#) starting on August 17, 2020 and running through August 31, 2020.

The campaign will include an on-air radiothon and follow-up promotion to sell gift cards or gift certificates from participating merchants to local citizens and businesses. The goal is to inject much needed cash flow into our local Jamestown and Stutsman County businesses!

[Economic Resiliency Grant](#)

The North Dakota Department of Commerce is proud to make the [Economic Resiliency Grant](#) available to private companies operating in North Dakota for costs associated with improvements to their businesses for the purpose of reducing the spread of infection, and instilling consumer confidence in the marketplace. To clarify, **this is a grant**, and not a loan. Grants will be awarded at up to \$50,000 per eligible business and up to \$100,000 per eligible business with multiple locations.

Applications Are Now Open!

JSDC Supports Jamestown Tourism

The JSDC Board of Directors approved 2021 funding to [Jamestown Tourism](#).

Jamestown Tourism's mission is to coordinate, promote and support tourism growth and development in Jamestown, ND and the surrounding areas. A big (and fun!) part of that mission is to provide visitors with friendly service, helping furnish the information they need to make their visit great.

Contact Jamestown Tourism at 701-251-9145 or 1-800-222-4766. The Visitors Information Center is located at 404 17th ST SE in Jamestown.
