JSDC Nominated for Project of the Year Award

The Economic Development Association of North Dakota has received a nomination for the JSDC Jamestown Airport Business Park as 2020 Project of the Year. This award recognizes a project that has made a significant contribution to the economic health of the community or region in terms of job creation, partnerships and overall economic impact. The award is given in the category of large and small community. Congratulations and Good Luck to

JSDC staff and Board of Directors for this prestigious nomination.

ApprenticeshipND Welcomes New IRAP Opportunities

[ApprenticeshipND](#) continues to work diligently to provide service to all of its apprentices and employers. The program is experiencing some minor delays with shipping books so participants are encouraged to allow extra time for processing orders.

On March 11, the U.S. Department of Labor published a Final Rule to establish a system for advancing the development of industry-recognized apprenticeship programs (IRAPs). IRAPs are high-quality apprenticeship programs that provide individuals with opportunities to obtain workplace-relevant knowledge and progressively advancing skills. Similar to a registered apprenticeship program (RAP), IRAPs include a paid-work component and an educational component, and result in an industry-recognized credential.

[ApprenticeshipND](#) is committed to seeing the mission of IRAPs bring successful employment and training opportunities to North Dakota.
